Fumigation Drayage to Vanguard Facility - \$220 + Fuel each way

CBP Reimbursable Service Overtime Charge - \$165 per container

(The above charge is the minimum hourly rate for reimbursable overtime under CBP’s Reimbursable Service Program. As this overtime is based on variable demand, the final rate assessed will be determined based on the total number of inspections conducted during the overtime period.)

Disposal Fee – Rate will be determined by commodity, weight and dimensions, hours of handling needed and any trucking charge.

Document Fee - \$100 per shipment (This fee is assessed in the event the customer requests East Coast CES to complete customs paperwork and bring it to 1100 Raymond Boulevard to receive CBP approval and stamp.)

Terminal Requirement Fee – This pass through charge will be applied for any outstanding terminal charges required to be paid in order to pick up a container at the terminal. The charge will be based on the specific amount determined by the terminal. (Examples include paying terminal demurrage, pop and tap inspection fees, etc.)

Blocking and Bracing Fee - \$150 (This fee will only be applied if additional blocking and bracing is requested or required to stabilize the load)

Pallet Building Fee - \$15 per pallet (This fee will only be applied if we are requested by the customer to palletize floor loaded cargo as an additional service.)

**Disclaimers**

**CARGO DAMAGE AND PER- DIEM DISCLAIMER:**

East Coast C.E.S., Inc. (ECCES) is not responsible for damage done to cargo or ocean containers during inspection by a government agency. ECCES is not responsible for any per diem charges on containers received for examination, placed on hold, abandoned by beneficial cargo owner (BCO) or seized by a government agency. All per diem charges on containers shall be the responsibility of the importer.

Damage noted on devanning of the container will immediately be conveyed to the Customs Broker via email and digital photography. A damage report will be created and all damage noted. There is no additional cost associated with this process.

During the examination process, when we notice damaged cargo or believe that reloading may cause damage, we may notify the broker or importer (with permission from appropriate government agency) to view and/or supervise the claims or reloading process after release from examination.

However, under no circumstances is ECCES responsible for damaged cargo.

\*Unless otherwise specified herein, the term “day” refers to each calendar day. A day will include a partial day. Any fees, charges or calculations of free-time using that term will be calculated accordingly.
