

****DRIVER PROCESSING REQUIREMENTS****

CONTAINER PICK-UPS:

All truckers attempting to pick-up a CES container should first check our website www.eastcoastwarehouse.com/myecw for availability and to see what chassis the container is mounted on before dispatching any driver. Please select the CES Container Lookup block and confirm that all items in the Release Detail section associated with your specific containers reflect a **GREEN Y** for the container to be available.

Driver must bring the following documents when picking up container/ email them to SPPDO@eastcoastwarehouse.com

- Delivery Order (MUST have container number, trucking company name & SCAC code)
- Driver's License
- Vehicle Registration
- TWIC Card

*******NEW CHASSIS REQUIREMENTS (10/11/24)*******

Please check our website to see what chassis the container is mounted on. If container is on a SFWY chassis, you will need to bring your own chassis at time of pickup, website will say "Own chassis required". If container is on a pool chassis, website will read "No chassis required" and you must bobtail in for pick up. Please note you **MUST** be in good standing with that chassis provider, otherwise, the container will not be released.
